My Language

B1

I have not used for conversation for a long time, I read and translate with partial use of the dictionary

My Skills

C#
.NET Core
WPF
Avalonia UI
Entity Framework
EmguCV

MS SQL Server
Oracle Database
MongoDB
PostgreSQL
LiteSQL

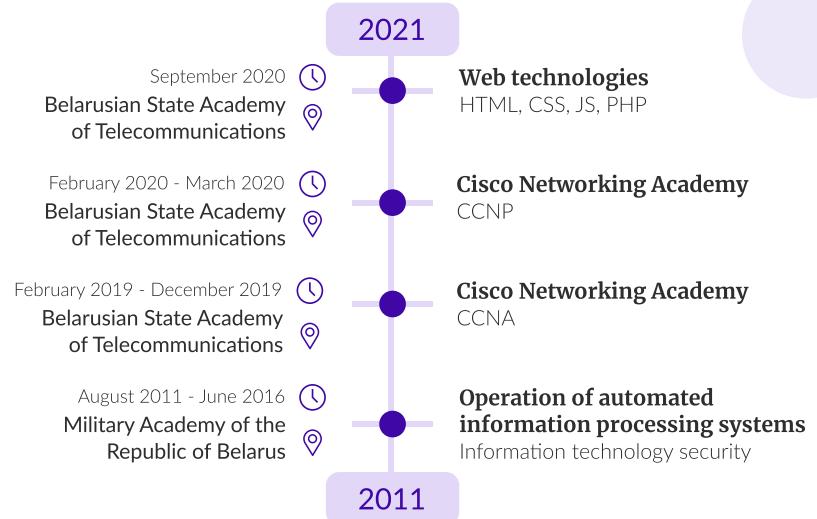

HTML
CSS
JS

Photoshop
Figma
Sketch

About Me

I am a skeptic in the best sense of the word, I can plan and do not think in stereotypes. A perfectionist who feels the golden mean. Communicative, with a good sense of humor. I consider the main thing in life to realize myself, achieve the highest results and be an example for my loved ones. Life motto: strive for the stars - even if it does not work out, this is the highest possible vector.
